KENT BRANCH

# Private instructions – a prime choice

Tuckers Kent Branch is a specialist Criminal defence firm. We are part of the biggest criminal defence firm in the country, Tuckers Solicitors LLP.

The Kent Branch of Tuckers originated as two specialist Criminal defence firms Robin Murray & Co founded in 1988 which covered Central, West and North Kent and Kent Defence who covered the East of the county before merging with Tuckers. Tuckers lawyers will be found on a daily basis in all of the Kent courts and police stations advising and representing their clients. We have a wealth of experience and further details concerning all of our lawyers can be found on our website: [www.tuckerskentbranch.com](http://www.tuckerskentbranch.com)

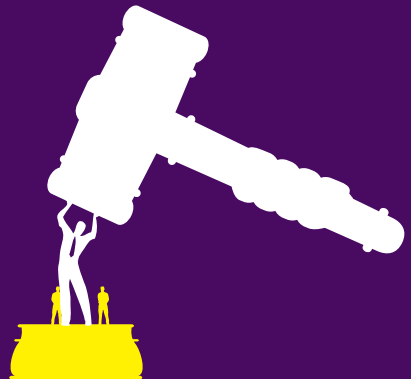

For our dedicated team of lawyers and staff the key to success is enjoyment. For all of our lawyers the greatest satisfaction is doing a job well, knowing that nothing more could have been done to further our clients' case and if we are honest, winning.

By choosing to fund your case privately we are able to offer you the highest levels of service. You will be guaranteed that your case will be dealt with by one of our Partners or one of our expert solicitors. We have access to the best advocates and will discuss the choice of advocate with you.

In all our considerations of your case we will be mindful of the cost and will advise you of the options available to you. We will keep you informed of the progress of your case and will confirm your instructions in writing as the case goes along.

***“Great solicitors. Every time I have used them I’ve had a good result in Court.”***

– Mr A.M.
